

Physician–Patient Arbitration Agreement

Article 1: Agreement to Arbitrate: It is understood that any claim of medical malpractice, including any claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered or omitted, will be determined by submission to binding arbitration in accordance with the provisions of part 2 of article 22 of this title. and not by a lawsuit or resort to court process except as Colorado law provides for judicial review of arbitration proceedings. The patient has the right to seek legal counsel concerning this agreement, and has the right to rescind this agreement by written notice to the physician within ninety days after the agreement has been signed and executed by both parties unless said agreement was signed in contemplation of the patient being hospitalized, in which case the agreement may be rescinded by written notice to the physician within ninety days after release or discharge from the hospital or other health care institution. Both parties to this agreement, by entering into it, have agreed to the use of binding arbitration in lieu of having any such dispute decided in a court of law before a jury.

Article 2: All Claims Must Be Arbitrated: It is the intention of the parties that this agreement shall cover all claims or controversies whether in tort, contract or otherwise, and shall bind all parties whose claims may arise out of or in any way relate to treatment or services provided or not provided by the below identified physician, medical group or association, their partners, associates, associations, corporations, partnerships, employees, agents, clinics, and/or providers (hereinafter collectively referred to as "Physician") to a patient, including any spouse or heirs of the patient and any children, whether born or un-born, at the time of the occurrence giving rise to any claim. In the case of any pregnant mother, the term "patient" herein shall mean both the mother and the mother's expected child or children.

Filing by Physician of any action in any court by the physician to collect any fee from the patient shall not waive the right to compel arbitration of any malpractice claim. However, following the assertion of any claim against Physician, any fee dispute, whether or not the subject of any existing court action, shall also be resolved by arbitration.

Article 3: Procedures and Applicable Law: A demand for arbitration must be communicated in writing by U.S. mail, postage prepaid, to all parties, describing the claim against Physician, the amount of damages sought, and the names, addresses and telephone numbers of the patient, and (if applicable) his/her attorney. The parties shall thereafter select a neutral arbitrator to preside over the matter. Both parties shall have the absolute right to arbitrate separately the issues of liability and damages upon written request to the arbitrator. Patient shall pursue his/her claims with reasonable diligence, and the arbitration shall be governed pursuant to Colorado revised Statute 13-64-403 and the Federal Arbitration Act (9 U.S.C. §§ 1-4). The parties shall bear their own costs, fees and expenses, along with a pro rata share of the neutral arbitrator's fees and expenses.

Article 4: Severability Provision: In the event any provision(s) of this Agreement is declared void and/or unenforceable, such provision(s) shall be deemed severed therefrom and the remainder of the Agreement enforced in accordance with Colorado law.
