

# MIRACLE KIT

3 step system

Dr. Jill's 3-step Mini-Miracle Kit will astound you with younger looking, clear skin in 30 days. The custom prescription grade Retinoic acid will penetrate deep within your skin stimulating cell renewal and reducing the appearance of fine lines and wrinkles. The Vita-CE serum can be applied in the morning under make-up and will protect against the onslaught of exposure to chemicals and environmental toxins. It also delivers the equivalent results of injectable collagen fillers within 2 weeks of use. And the NeutralEyes complex is gentle enough to apply at bedtime for reduction in puffiness, improving strength of capillaries and reduction of dark circles under eyes.

## Advanced Technology

### VITA-CE WITH FERULIC ACID

Advanced formula contains a powerful copper complex, Hyaluronic Acid, and Niacinamide, to fight against signs of aging and improve fine lines and wrinkles. The revolutionary combination of ingredients delivers equivalent results to one injection of collagen filler in just two weeks of use\* by reactivating collagen and elastin synthesis.

- ✔ 15% reduction in appearance of wrinkles and volume in only 2 weeks
- ✔ Quickly delivers equivalent results to one injection of collagen filler within 2 weeks of use

#### DIRECTIONS

Apply 4 to 5 drops onto fingers and smooth over face and neck, avoiding eye area. Allow to absorb before applying additional products. Can be used twice a day or as directed by physician.
